

Self Explanatory

Read the local newspaper lately? Bet it hasn't been too long since you've seen a headline about someone killing either himself or someone else because of driving too fast and crashing.

I hate to break it to you speed demons out there, but your "need for speed" just might drive you into tomorrow's paper...obituary section, page D10.

This sign says it all. Slow down or die. 'Nuff said. Have a nice day. p.s. Wear your seatbelt.
