MEMORANDUM FOR RECORD

SUBJECT: Defense Safety Oversight Council Structure Proposal Meeting Summary

1. On 18 April 2008, members of the Joint Service Safety Council met with the Executive Secretary of the Defense Safety Oversight Council (DSOC) to present a proposal for restructuring the DSOC (enclosure 1). A list of attendees is included as enclosure 2.
2. The meeting lasted approximately one hour with good discussion from all attendees concerning the benefits of the proposed changes. At the conclusion of the meeting, the following items were agreed upon by the Executive Secretary and attending Service Safety Chiefs:
 - a. Minutes will be recorded for meetings of the DSOC and the DSOC Integration Group and posted to the Defense Readiness website.
 - b. The Service Safety Chiefs will be full members of the DSOC Integration Group and serve as voting members. They are also invited to attend all meetings of the DSOC proper.
 - c. Mr. Angello agreed to discuss the meeting with Dr. Chu, the DSOC Chair.
3. The meeting served as a means to improve communication between the DSOC and service safety centers. The discussion and resulting recommendations will help to synchronize and support all our efforts to reduce preventable loss across DoD.
4. The point of contact for this action is the undersigned at (334)255-1178 or william.zaharis@crc.army.mil.
