

BROWNSHOES IN ACTION COMIX

"The kind real aviators like"
By Lt. Ward Carroll

The Life and Times of "Just-Plain-Bob"

(World's most objective LSO)

Bob's incredible powers of reason allow him to see both sides of an issue . . .

"Gee, I can't decide.
They both have good points!"

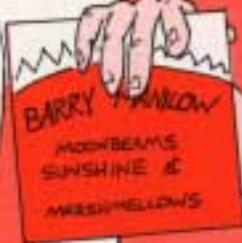

"Sir . . . Excuse me, but when you yelled at me just then, I lost my train of thought; and to be completely honest, I have no idea where we are."

This made for smooth sailing when he was a student in the training command . . .

"Well, figure it out pronto, Ensign, or you're down!"

"You're more than fair, sir."

(Also available on compact disc.)

"... and the inflection in my voice when I rogered your ball call probably startled you and caused you to settle, so I can't really fault you for that."

"I guess . . . are you almost finished? I'd like to catch a slider before the line shuts down."

As an LSO, Bob's quality inputs have made for exponential learning curves on the part of air wing pilots . . .
