

BROWNSHOES IN ACTION COMIX

"The kind real aviators like"

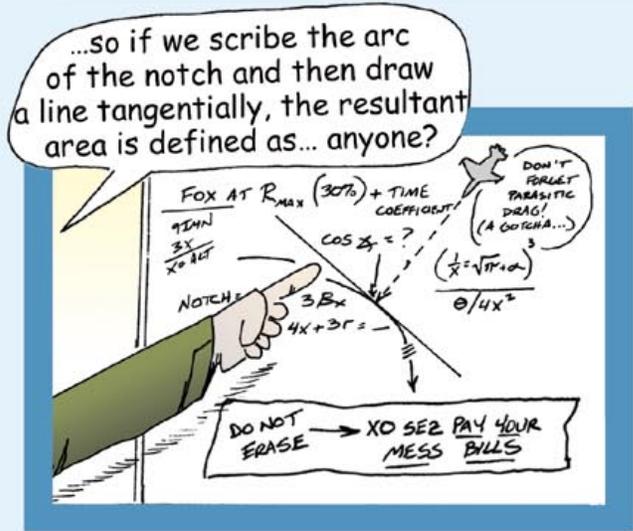

Enter the SFWTI...

Sent to learn the answers to the questions of space, time and JMEMS...

He returns to the fleet and begins to raise the bar of tactical excellence...

He enjoys all to travel with him in the quest for total readiness...

...in all facets of strike warfare: planning, debriefing, FLIR tape analysis, ball flying...

OK, maybe not ball flying.
