

Paul Bunyan ... Not!

Ah, the sounds of nature. Buzzwizz, girrrr, creeek-craaack, "Timber." Swissh, "Jeb...m-my truck!" Crash. Beeeeeeeeeeep.

Do-it-yourselfers unite! But don't get in over your head. Let's face it folks, some jobs are too big for us amateurs. Whether you're cutting trees, doing electrical work, or building a new house, do what is within your range of skills, but leave the tuff-stuff to the pros.

Having a tree fall on your Chevy is nothing compared to cutting your arm off, or electrocuting yourself...you know what I'm trying to say. Take care of yourselves out there.
