MONDAYS

## AND CARGRU MAKES 8

I'm pretty sure supply issued me the wrong key. I was told by the admiral I relieved that I had my own stateroom.

Yeah, yeah. Look, sir, regardless of rank, the new guy gets the rack by the phone.

"THE J.O. BUNKROOM"

WEDNESDAYS

Real-Life footage leaves the squad cars and trailer parks and heads for the high seas in:

## BOAT O'S

Excuse me, corvain. I just noticed I can't see land any more. Are you sure we're headed for fleet landing?

LATE NIGHT FRIDAYS

## STILL BEACH five

We'd like to continue our Kiff tribute now by playing "Detroit Rock City" again.

SUNDAYS

## THIS OLD JET

with AMSZ Rodbender

Join us this week for a morning maintenance meeting, a FOD walkdown, a 56-day, a quick turnaround followed by the jet going down on the cat, and a chow line from the second deck to the hangar bay - all in one episode!

Programming note: Although listed as a 30-minute show, "This Old Jet" is taped in maintenance minutes so it can last up to three times as long as listed.

The BROWNSHOES Channel  
Missing it is almost  
dereliction of duty!
